Today is the auniversary of Lincoln's birthday, and is being extravagantly celebrated throughout the cities of the North, East and West. Here in the South the observance of the day is not so pronounced, though this section has the proper respect for the memory of the dead statesman. Upon us, the observance of Jefferson Davis ay rests as a more sacred duty.

Today President-elect Taft is a By Lydia E. Pinkham's guest of New Orleans. That historic old city is dispensing true Vegetable Compound Southern hospitality. Is Peruna an alcoholic beverage in disguise? Is if possible to use Peruna as a substitute for whiskey? Do people buy Peruna and use it as a toddy, or

It would be the easiest thing in the world for any one to demonstrate the growing everywhere, and is des- falsity of such statements. Let any one go to the drug store and purchase a buttle of Peruna. Let him undertake to use it as a beverage, or take this remedy in doses considerably larger than those prescribed on the bottle. Would the result be alcoholic intoxication? Nothing of the next. Let any one try it and see.

Peruna is a medical compound quite heavily loaded with medicinal ingredients. If taken in doses larger than prescribed it would produce a positive opinion that another war between drug effect. No one could take it as a beverage. If any one doubts these state-Russia and Japan is imminent. He ments, try it and see. We know that Perana cannot be used as a beverbases his surmise on the successful age; that it will not intexicate; that it cannot be used as a substitute for negotiation of a big loan by the liquors. We guarantee that PERUNA CONTAINS NO CHEAP WHISKEY-OR ANY OTHER WHISKEY, for that master

It contains a small per cent, of cologno spirits, absolutely emential to disalso believes that Russia will lick solve and hold in solution medicinal ingredients, but the drugs contained in the little men of Japan in the Peruna prohibit its use as a beverage. It would be the easiest thing in the next contest. At any rate, Japan's world for any one to demonstrate this if they chose to do so.

Peruna is sold everywhere. THE INGREDIENTS ARE PLAINLY PRINTED ON EACH BOTTLE. It has been said over and over again that time will make her less saucy chemists have analyzed Peruna and found it to contain only cubebs and whiskey. Now we challenge any chemist to demonstrate any such statement, Let any one who has even a smattering knowledge of chemistry purchase a bottle of Peruna and see whether or not it contains whiskey, find out for himself whether or not it is composed of cheap whiskes and cubebs. Of course, cabebs is one of the ingredients of Peruna, but there are many other ingredients. It contains hydrostia canadamas, corydalls formora, collinsonia, and at least four other medicinal ingredichts. To be sure, no chemist could so anato remain in school longer than by lyze Peruna as to be able to identify the various medicinal ingredients. This the time he is 19, or 20 years of is beyond the ability of any chemist. But any ordinary chemist would be able age, unless he is made to see the to say that Peruna is heavily louded with mulinimal ingredients of some kind

Now why are these statements repeated when their faisity could be so tion upon which to build his busi- easily demonstrated? Simply because there is continued hostility toward Pemess or professional career. The runa on the part of the medical profusion. Very Ukely the magazines which average school boy thinks only of took up the crusade against Peruna and deagunced it as a cheap beverage the school room as a temporary were misled by statements of the modern profession. Probably they were sincere in their attitude towards it. But now, after all these things have been said and refuted, it would seem to be in order for such people to use a little One of the causes which have con- fairness and common sense in the matter.
